

Installation Instruction

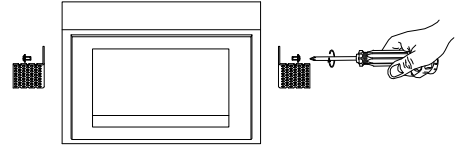

LIGHT & GREENLLC

LG-9021, LG-9022, LG-9023

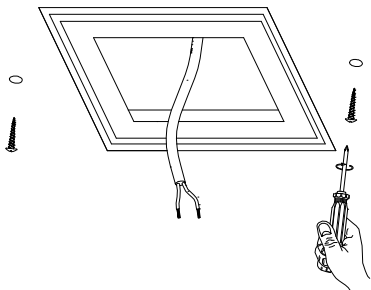

Cut out size:
LG-9021: 8.50"x 8.50"
LG-9022: 12.50"x 8.50"
LG-9023: 16.40"x 8.50"

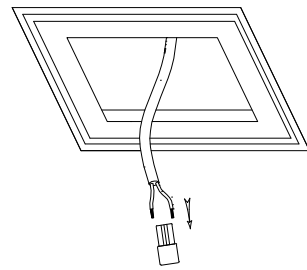

① Cut out a hole with proper size in the ceiling.

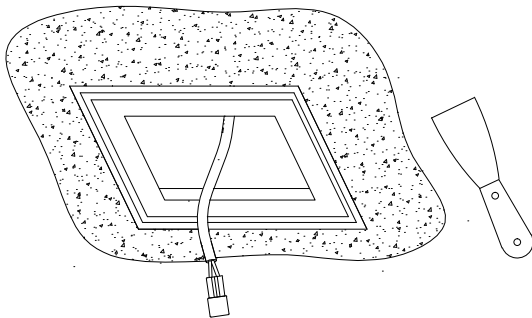

② Fix mesh holders to the plaster.

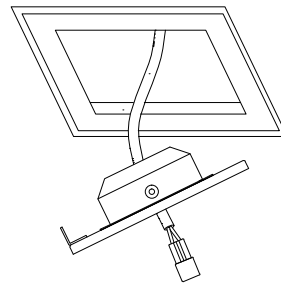

③ Fix plaster to the ceiling by crews.

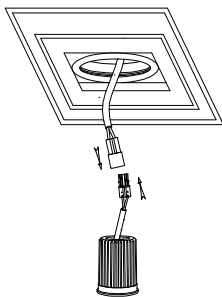

④ Connect the lead wire to connector.

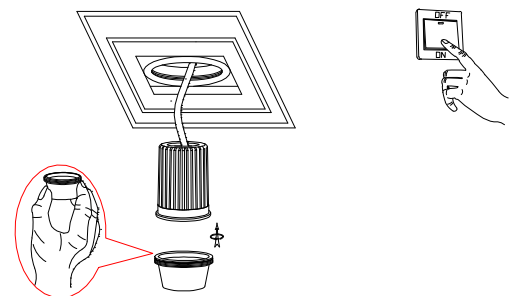

⑤ Fill up gap between ceiling and plaster body.

⑥ Put the metal part on the plaster.

⑦ Join the connector.

⑧ Fix the LED lamp via the metal cone, and turn on the power.
